NOTICE FOR PROSPECTIVE STUDENTS

To all our prospective students !

Dear Students ,

Due to the unexpectedly long time required for processing of the relevant documents for your facilitation of studies into Southern Medical University , P.R. Of China , The delay in joining can be attributed to the completion of admission process and others. The missed classes due to late joining will be conduct.by taking extra classes at later periods utilizing the holidays and vacations. Further to note that there is 4 to 6 weeks of vacation in every semester after completion of the teaching schedule.

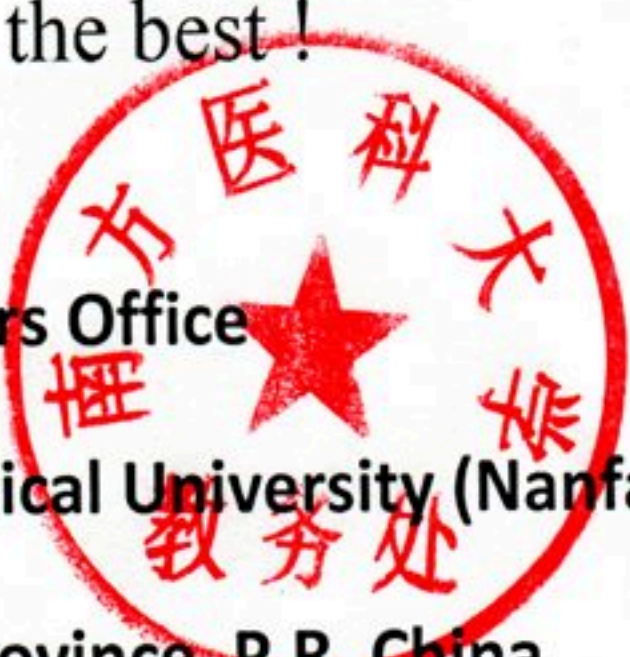

your academic studies will start from the beginning of March !

Wish you all the best !
