

Academic Session

Beginning July each year it is divided into two semesters- Odd semester and Even semester. Winter vacation normally starts from last week of December upto mid-week of January and summer vacation starts from middle of June to July as inter semester break.

Library

The Library has both e- resources and print resources. It has a total collection of 25965 books among which 10131 are e-books, 6000 (approx.) e-journals 20 print journals including 4 foreign journals. The University library is now member of E-Sodh -Sindhu (UGC Infonet) Digital Library consortia. MAKAUT is getting e-journals like IEEE, Cambridge University Press, Economic & Political Weekly, ISID, JCCC, Oxford University Press, Springerlink, Taylor & Francis from the consortia. and the University itself is subscribing e-journals like IEE, Elsevier, Springer Nature, ACM Digital Library, American Society for Biochemistry and Molecular Biology, Taylor and Francis, etc.

Hostel

Well-appointed hostels with fully furnished rooms made for international students at Haringhata main campus. Rooms are quipped with all basic amenities. The hostels are safe and secure because of the presence of security agencies and police booth in the university.

Food

Healthy and hygienic food is available at the students dining hall. All kinds of fruits and vegetables as well as dairy products are available. Breakfast, lunch, dinner and all kinds of snacks are available at very reasonable cost.

A centre of Excellence in Teaching & Research in Technology & Management

MAKAUT formerly known as West Bengal University of Technology (WBUT), is a State University located in Kolkata, India, Founded in 2000 by the Government of West Bengal. MAKAUT provides facilities for pursuit of degree and advanced-level courses in engineering, management and other professional areas through affiliated institutions and in-house departments. The campus is currently located at Haringhata, Nadia (West Bengal).

The University has introduced new courses in emerging areas to in tune with the unfolding scenario in higher education in the country.

The University is steadfast in its twin objectives:

- To serve as a Centre of Excellence in teaching and research in technology and management area.
- To provide framework of industrialization based on knowledge economy.

The university now affiliates 160 institutions spread over 15 districts of the state of West Bengal. Postgraduate study is being carried out in 30 of them and research is being carried out for the grooming of scientists, engineers and technologists.

Recognised by the
University Grants
Commission (UGC)

165th
Rank

among 3500 engineering colleges
in India by the National Institutional
Ranking Framework (NIRF) in 2019.

Awarded B++ with
CGPA of 2.87 by the National
Assessment and Accreditation
Council (NAAC), India.

*To realize its mission of emerging as a
Centre of Excellence the University has created
three Schools of Studies.*

School of Engineering & Technology (SET)

School of Biotechnology & Biological Sciences (SBTBS)

School of Management and Sciences (SOMS)

comprising presently of five departments

Department of Computer Science & Engineering

Department of Industrial Engineering & Management

Department of Biotechnology

Department of Bioinformatics

Department of Management and Sciences
