The student of NMU can choose either to live in the university dorm or rent an apartment in the city under knowledge of the university. the price of living in the living in an apartment may differ substantially given that the letter is charged privately by the owner and not mediated upon by the university, but the student can always ask for assistance at the student consultation desk at the university.

The university owns 7 dormitories within the city of Kiev both for undergraduate and graduate student. each of these dorm is equipped with fully furnished kitchen for the student to use along with study hall and wi-fi internet connectivity.

Life at Kiev, Ukraine

it is only imperative that living in Kiev is an experience of a lifetime. This vibrant city with all its majestic glory and historic enigma also portrays a true cosmopolitan nature which provides our student with all the amenities one might need. The city is studded with libraries, art galleries, museums, theater halls, philharmonics and cultural houses to name a few. To retain the old age European saga, the city is specked with bistros, café and pub which even though are modern to the core yet retains the eliteness of its past and of the city. To provide a recluse to the eyes, the city is touched with greenery by its numerous public parks and orchards that provide safe haven for students to mingle and attune with nature. For the adventure seekers, this city has no shortage of nightlife activities for the young hearts to pursue.

Kiev is the capital city of Ukraine, bisected by the Dnieper River and known for its religious architecture, secular monuments and history museums. The 11th-century Kiev Pechersk Lavra is a monastery and pilgrimage site encompassing several gold-domed churches. It's known for its catacombs lined with the burial chambers of Orthodox monks, and a collection of gold objects from ancient Scythian times.
